Book Suggestion - Robots

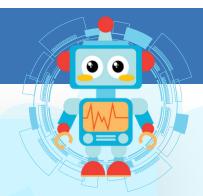

Robot, Go Bot!

by Dana Meachen Rau Ages: 2 - 5 years

A girl builds a robot to do her chores, but her bossiness drives it away. To get her friend back, she learns the importance of kindness and respect.

Activity

DIY Robot:

Get creative and build your very own robot using recycled materials!

Gather cardboard boxes, toilet paper rolls, and any other recycled items you can find. Use glue or tape to stick everything together, and if you want to take it a step further, you can even paint your robot and decorate it however you like

Don't forget to give your robot a cool name!
